

**No need for a Tuxedo or Formal Gown!**

Plans for Ben Gordon Center's Foundation's 23<sup>rd</sup> annual Charity Event are underway with silent auction contributions arriving and organizational decisions taking place.

This Year's Theme is

**“BEACH BLANKET BEN GORDON”**

The event will be held Friday, April 9<sup>th</sup> 2010 at St. Mary's Hall in Sycamore.

***This year we will host a casual, fun filled evening with music, great food and fellowship to support the programs and services of the Ben Gordon Center. The event will feature live entertainment, dancing, a silent auction and a cash raffle.***

Everyday the clinicians at Ben Gordon Center provide excellent behavioral healthcare to the citizens of DeKalb County. Each month over 200 new admissions are scheduled for services at the agency.

We are asking for your corporate support to benefit clinical programs and services. Proceeds will assist in providing mental health and substance abuse services to children, teens and families in DeKalb County who cannot afford care.

A corporate sponsorship pledge sheet has been enclosed for your convenience. A return date of April 1, 2010 is requested.

Thank you for helping us build a stronger community!

Sincerely,

Michael Flora  
President and CEO
