To Our Caring Friends:

Any one of us at some time can benefit from the services available at the Ben Gordon Center. That's why we need your support of the Planned Giving program.

Supporters of the program are the cornerstone of the Ben Gordon Center Foundation. Your donations help us grow with the community, and allow us to offer new vital services. For example, new this past year is a partnering program "Parenting with Love and Limits" which meets the needs of many families in our community. Divorce Mediation was added to the array of professional services to assist families going through divorce, separation or change in custody.

Gifts to the Planned Giving program are made annually by individuals, organizations, businesses and service clubs. They can be a way of honoring a friend or loved one, or of recognizing a special occasion, such as a birthday or wedding anniversary.

The Ben Gordon Center Foundation has many gift opportunities available to help support the missions of the Foundation and Ben Gordon Center. For more information on Planned Giving, Major Gifts and/or contributions for a specific interest, please contact the Coordinator of Development at Ben Gordon Center at (815) 756-4875.

Thank you for supporting the benefits of good emotional health and well-being.

Sincerely,

Michael Flora, MBA, M.A.Ed., LCPC  
President and CEO
